**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value my local internet company for the good service and low prices they provide for all my internet needs. Please do not increase internet prices. I am 76 and my budget is limited. broadband is critical to my phone service and to staying connected to the larger world. Please do not enact legislation that will limit my broadband competition.
